2. The schedule is as follows:

1330-1400: [Redacted] You have the material for this subject for review. As I mentioned in my weekend memo, the briefing paper, as prepared, is still a little long, but it could be cut down to about 2 to 3 pages of talking points fairly easily. [Redacted] felt that you would be better served at this time by having a longer paper which included all the possible issues for the purposes of discussion.)
